**Committee Discussion:**

*Boston Hill Report:*

Mike and Bob met with the Mayor, Town Manager and Assistant Town Manager about the Boston Hill Map. It will not go to Council, it will remain a working document.

*San Vicente Report:*

The ATV tracks are still entering near Chukar and the old landfill. The committee asked if the contractor will make the holes for the post on Chukar. The earth mounds are working well to keep vehicles out.

**Staff Report**

Jaime reported that most Town staff have limited office hours but are available by phone. The Town will be working on a new budget because of Covid-19 and that spending will most likely be cut for the upcoming fiscal year.
