Trails and Open Space Advisory Committee
Meeting Record
San Vicente Creek Field Visit

Committee Discussion: Bob gave the tour, and pointed out significant problematic locations--historical and current--and also described plans for the future of the property. The following issues were in the discussion:

- invasive species
- directional signs that had been chopped down (and machete packaging found in parking area)
- conditions of informational signs and need for signs
- building a stream crossing
- relationship with Aldo Leopold school and their projects on site
- history of work done by GCEC
- squatting
- trails to Kelly St, and possibly Mountain View
- newly-downed trees
- illegal placer mining
- recognition of property borders/ownership and the Town's understanding of its agreements with adjacent property owners, including trailhead and area under bridge
 - possible problem of armed property manager threatening hikers
